The image shows a user profile on the Sololearn platform. The header includes the user's name, 'Игорь Войтенко', and a 'Log Out' button. Below the name, it shows '1 Following', '0 Followers', '1333 XP', and 'Russia · Lvl 6'. A 'SoloLearn PRO' banner is visible, indicating a 14-day free trial. The main content area is divided into two columns. The left column contains 'Courses Progress' (showing 100% completion for SQL), 'Certificates' (showing an SQL certificate), and 'Code Bits'. The right column contains 'Badges' (a grid of 9 icons) and 'Current Task' (a task titled 'Where the magic happens').

The image shows the completion page for the 'SQL' course. The header includes the course title 'SQL' and a description: 'This course covers an array of SQL-related topics, such as retrieving, updating and filtering data; functions and subqueries; creating & updating tables; & many more!'. The main content area is a list of course topics with their completion status: 'Basic Concepts' (8/8), 'Filtering, Functions, Subqueries' (9/9), 'JOIN, Table Operations' (11/11), and 'Challenges' (2/2). At the bottom, there is a 'Certification' section with a certificate icon, a message about presenting the certificate, and progress bars for 'Lessons Completed' and 'Projects Completed'. A 'Claim Certificate' button is also present.
